In continuation with our earlier initiatives for assuring quality in our institute, we have specifically constituted IQAC on 15/08/2017.

This meeting has the adequate discussions as to the promotion of Legal Education as required and provided in our Ancient Culture and has been resolved as follows:-

1. TLP methods are to be adopted without any deviation.
2. Projectors are to be purchased.
3. Syllabus to be added value by incorporating assignments, internship, in every unit for best appreciation by the students of all categories i.e, slow learners, medium learners and advance learners.
4. A systematic diagnosis should be undertaken for documenting the levels of learning of every student.
5. Our Institute should be promoted to be made eligible, as part and parcel of university (proposed) under RUSA guidelines.
6. NAAC accreditation process should be advanced along with institutionalization the quality in our function.
7. Aurora manual for academic and related administration should be scrupulously followed.
